

DEAGAN DINNER CHIMES

THE VOICE OF HOSPITALITY

DEAGAN DINNER CHIMES make ideal gifts for they are not only practical and unusual, but beautiful in appearance and tone as well. Used many times daily they become an integral part of home life—the voice of true hospitality and friendship.

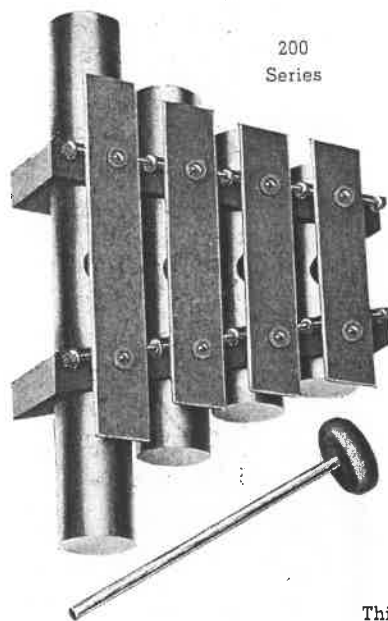

Offered in a wide variety of designs, color combinations and finishes, they are suitable for use with every type of home furnishing whether period or modern. As there is nothing to wear out or get out of order, Deagan Dinner Chimes will last for years.

You will like the beautiful tone quality of these Chimes, considered the most pleasing of musical sounds, and will be attracted by their

unusual beauty and reasonable price. Deagan Dinner Chimes may be used for a variety of purposes—not only as a call to meals but for lodge signals, radio announcements, etc. They are provided with rubber cushions and hangers and may be placed on the table or hung on the wall.

For those with discriminating taste, who demand gifts and home accoutrements which are not found in ordinary shops and stores, Deagan Dinner Chimes have real appeal.

We will be happy to quote on color combinations or finishes other than those described in this page.
